

Sens de circulation (essai mai -juillet)

The map illustrates the proposed traffic flow changes for the area around Saint-Mélan, France, for the period of May to July. Key features include:

- RTE DE VITRE**: The main road running horizontally across the top.
- R DU GRAND DOMAINE**: A major road running vertically on the right side.
- R DU VIEUX MOULIN**: A road running vertically on the left side.
- Châteaubourg-Mairie Annexe de Saint-Mélan**: A red-shaded area in the center.
- Saint-Mélan**: A yellow-shaded area in the center.
- Ecole Primaire Saint-Mélan**: A purple-shaded area on the right.
- Quincampoix**: A road running horizontally on the right.
- Le Grand Domaine**: A blue-shaded area on the far right.
- Traffic Signs and Arrows**: Various signs (blue arrows, red circles with white lines, blue circles with white arrows) and black arrows indicating the proposed traffic flow changes.
- Scale Bar**: A scale bar indicating 50m.
